

Your Views Matter

Hearing about your experiences of our services is really important to us and helps us know where we need to improve so we can provide better care and treatment on an ongoing basis.

You can tell us what you think about the service you are receiving by completing a short online survey on one of our iPads, just ask a member of staff.

Alternatively you can complete your survey from any device with internet access at:

www.sabp.nhs.uk/yourviewsmatter

And we won't ask for any personal details, your responses are anonymous.
