

## Parking at the Abraham Cowley Unit/St Peter's Hospital

**As with all hospitals, St Peter's is a busy site and it can be difficult to park.**

There is a small car park outside the Abraham Cowley Unit but we advise you not to park there between office hours: our staff park there and it gets very busy. You can usually find a space after 5pm, although we cannot guarantee this.

### Pay and display car parks

If you can't find a space at the Abraham Cowley Unit, there are pay and display car parks close by.

## Parking charges

Charges for parking on the St Peter's site are as follows:

First 20 minutes	Free
Up to 2 hours	£3.20
2 – 3 hours	£4.00
3- 4 hours	£5.00

## Disabled parking

There are three disabled/blue badge spaces in the Abraham Cowley Unit car park. The car park to the side of our building has 8-10 disabled spaces.

## More information

For more information about car parks at St Peter's Hospital, please visit their website at:
