

## **Privacy Notice – Staff Resilience Hub**

### **How we will use your personal details**

Your details will be recorded on a secure and confidential system developed by our Digital service.

We only require your email address or telephone number in order to contact you whilst you may wish to provide a pseudonym to maintain some anonymity or have the option to provide a real name if you prefer.

We will be reporting uptake figures to NHS England and our health and social care partners, so your information on the system will be used completely anonymously to produce these reports on figures only.

We will use your information in accordance with the Data Protection Legislation and we can assure you that no person-identifiable information (PII) will be disclosed.

In line with GDPR legislation we need to gain your consent to collect and store this data.

We will store your personal details securely for 7 year and then these will be deleted from the system records. You may request these to be deleted at any time by contacting our team via the following email address:
