## Section 2

# Why I am in hospital

- Your doctor says you are not well

- You might feel ok but your doctor has said you are not well

- The doctors want to make you feel better
- You will get help to make you feel better

- You can be kept in hospital because of Section 2 of the Mental Health Act 1983

- The Mental Health Act 1983 is a law.  
A law is like a rule

## Section 2

# My stay in Hospital

- You can be kept in hospital for up to 28 days

- The doctor will say when you can leave hospital

- If you try to leave before the doctor says it is ok, you can be stopped

- If you leave hospital before the doctor says it is ok, you will be brought back

## Section 2

# The help I will get in hospital

- The doctors will try to find out why you are not well

- You may have to take tablets or medicine

- These are the people who will help you to get better:

- The doctor
- The nurses
- The therapists
- The psychologist
- The support workers

## Section 2

# What will happen next

- Every week you will be able to meet with your doctor and talk about being in hospital and any worries you have

## Appeals

- You can tell us if you do not want to be in hospital and we will have a meeting. This meeting is called a tribunal (see easy read Tribunal Leaflet)
- You can talk to a person who does not work at the hospital – they are called an IMHA (Independent Mental Health Advocate)
